This will be shoe distribution day on the Bowery. Every man without foot-coar or with torn and tattered shoes will be the guest of "Big Tim" Sulli-ran at the Sullivan clubhouse, No. 207 Howery, and he will not only be accommodated with a pair of strong win-ter shoes, but with a pair of warm

woollen socks as well.
"And I want no thanks," said "Big
Tim" last night. "I'm just doing this because of a promise I once made to my dear old mother.

"It was when I was a little shaver of seven years and I had to go to school with term shoes, with my bare tres peeping out, on the most bitter sold

"Mether," I said then, 'should I ever have the means, I'll supply every poor fellow with a pair of shoes on the coldest day of the year."

"Tve picked out Feb. 6 as the coldest day and everybody's welcome."
"Big Tim" will be present at the shoe distribution and he will be assisted by John C. Fitsgerald, Alderman John J. White, "Handsome Harry" Oxford, Larry Mulligan, "Jimmy" Oliver, Harry Applebaum, "Tony" Wamser, Edward J. Sparenberg, Henry J. Goldsmith and Civil Justice Thomas P. Dinneen.
Each man as he enters will be asked to tell the size of shoes he needs and he will be handed them at once. Repeating is strictly prohibited, as more than 7,000 men are expected.

#### **NEVER SUSPECTED KIDNEY** TROUBLE-GAINED FIFTY POUNDS IN V. EIG.IT.

Some time ago I was suffering from what I supposed was rheumatism. I became so bad that I could hardly get on my feet from a sitting position. I ran down in weight from 195 to 145 pounds. I tried different kinds of medicine but received little or no help. I saw Dr. Kilmer's Swamp-Root highly recommended for kidney trouble but I never had any idea that my kidneys were affected. I thought I would try a fifty-cent bottle of Swamp-Root and see what the effect would be. I commenced taking it according to directions and in a few days I saw that it was helping me. I used the fifty-cent bottle and then I used the fifty-cent bottle and then bought three more dollar bottles and they completely cured me. I have gone back to my original weight—195 pounds—and I am a thorough advecate of Dr. Kilmer's Swamp-Root as I believe it to be a remarkable preparation for what it is recommended to do. is recommended to do.

### The Goods Are Here!

Lock FIRST for the GREEN PRICE-CARDS. These mark EVERY article from the Greenhut stocks. THEN look at THE MERCHAN-DISE ITSELF. You will be simply AMAZED at the exceptional MONEY-SAVINGS that this mercantile upheaval opens to you at this time.

Not only has no regard been paid to PROFIT, but none to COST. Many of the goods are really "odds and ends," owing to the fact that assortments had been so badly broken before the removal took place. Note, however, that QUALITY in every case is absolute—that the goods are as bright and fresh as on the day when they were unpacked.

# Home-Outfittings Selling Actively

Three weeks of very spirited buying by the great public of New York and vicinity have served so to deplete our stocks of home outfittings that it is but fair for us to state that assortments are broken, and that a good many "odds and Carpets, Rugs, Linoleums, ends" show themselves.

But that's to YOUR advantage! So long as QUALITY remains-which we guarantee to be the case-many people of oy locking over just such enticing 'remainders' as are now to be seen in these 12 big departments, and making their selections therefrom:

Furniture, Bedding, Oilcloths, China,

Glassware, Lamps, Pictures, Upholsteries and Kitchen Supplies

As we have many times stated, these departments will be transferred to the Greenhut Building as soon as it reopens, and, rather than MOVE the great stocks of merchandise, we have decided to name SELLING PRICES SO LOW that the goods will be CLEARED, as far as possible, before the day of re-location arrives. That this is SURE to be the case is abundantly proven by the tremendous selling of the past three weeks. Come In, TOMORROW, and Get YOUR Share of the BARGAINS!
